

Registration Form for Yosemite Trip – May 15 through 18, 2023

You are invited to come with CACS to explore Yosemite from the Chinese history point of view. The Chinese played a vital role in the formation, and infrastructure of America’s most beautiful National Park. This information was lost or forgotten until Park Ranger YenYen Chan did extensive research on uncovering what an important role the Chinese played in building this magnificent landmark.

Please respond by January 31, 2023
